

Ashland Optimists 2018 Red Kettle Campaign

- a message from Bern Bonderer

Ring-A-Ling, Ring-A-Ling!

It's that time of year again! I have the kettles from the Salvation Army and we are ready to go! I'm sure you have already seen ringers out and about in Columbia and Jeff City.

Ringling is at Moser's as always. You can ring for 5 minutes or 5 hours. Please let me know if you are interested and I will get you on the schedule. I have to report data every time we ring so please do not just go over there and start ringing.

Please pass around the word to church groups, school clubs, sports teams, or any other individuals that would like to help out.

Last year was one of the lowest totals that we have ever had. So let's get shakin' and have a bounce-back year. Let's ring every day until until New Year's Eve!

Thank you,

Bern
